Lawrence R. Houston, Esquire,

General Counsel,
War Department,
Strategic Services Unit,
25th and "E" Streets, N.W.,

Washington 25, D.C.

Dear Larry:

I am writing to recommend for employment with
your Department, [REDACTED] who has been for the
past year a secretary in our office. Her husband, [REDACTED]
[REDACTED] has recently joined your organization and is, I be-
lieve, stationed in Washington. They have no children and
their circumstances make it desirable that [REDACTED] find
employment.

If you can find a place for her, you will acquire
the services of a thoroughly experienced legal secretary who
brings to her work a happy and somewhat rare combination of
efficiency, loyalty, cheerfulness and an excellent sense of
humor. Her record with us has been entirely satisfactory and
everyone in the office is distressed to see her go. Please

SCHNADER, HARRISON, SEGAL & LEWIS

Lawrence R. Houston, Esquire:

accept my unqualified assurance that she is worth making a place for in your office and if that is not possible, in some other department of your organization.

She will present to you a copy of this letter when she calls. I have no idea exactly when that will be, but she is leaving here this coming Friday and, I believe, plans to take a short vacation with her family in New Jersey. Anything you can do to help her will be greatly appreciated.

Cordially,
STATINTL

P.S.: Incidentally, I had rather hoped to hear from you before this concerning the matter about which you spoke to me last August.
